Subject: FW: Draft Agreement for ADC **For Review**
Attachments: May 24 2018 Draft Informal Resolution Agreement (45RNO-16-R9) Region 9 edits.docx

Hi Dale-

Please see the attached draft which is only illustrative in nature. This is only supposed to be a sample in which they can get a feel of what we may ask in agreement. ADC has a board meeting on the 30th, so we are trying to get this to CRFLO asap, so that they can provide their feedback by Tuesday.

I will walk over to you to further explain.

Subject: Draft Agreement for ADC **For Review**

Per yesterday's call please review the draft IRA for ADC. As you may recall, the ADC will be participating in their board meeting on 5/30 and they asked for EPA to provide them with the commitments that we are interested in seeing in an Agreement. At the same time we believe it is a good idea to provide them with draft language so they will get a better feel of what a potential Agreement would look like for them.

If possible, please provide me with your comments by cob tomorrow. Please note that all information has already been circulated previously, but not with the ADC information pulled out separately. If you do not think you can provide feedback that quickly, let me know. Thanks!
